Dear Miami Public Library:

Grand River Dam Authority is the owner and operator of the Pensacola Hydroelectric Project (FERC Project No. 1494). On May 30, 2023, GRDA filed its Final License Application (FLA) for the Pensacola Hydroelectric Project with the Federal Energy Regulatory Commission (FERC or Commission).

The Final License Application or FLA documents may be viewed or downloaded from the GRDA relicensing website at <https://grda.com/pensacola-hydroelectric-project-relicensing/>.

GRDA requests that if any members of the public request to view a copy of the Final License Application or FLA at your library that you provide them a copy of this letter with the link to the document and provide them instructions on how to view or download the documents.

If you or any of your patrons have any questions or comments regarding this information or need additional assistance in accessing the Final License Application or FLA, please contact Jacklyn Smittle via email at Jacklyn.Smittle@grda.com or via telephone at 918-981-8473.
