

# Parents & Caregivers

Inspire a Love  
of Reading

**A love of books and reading offers the foundation for literacy skills that set children up for future success. Parents reading to their children from birth improves a child's future reading ability.**

Dolly Parton believes that if you can read, you can do anything, dream anything, and be anything. Through her Imagination Library program, she wants to ensure all children have books at home, regardless of the environment in which they live.

*"The single most significant factor influencing a child's early educational success is an introduction to books and being read to at home prior to beginning school."*

*National Commission on Reading*

**As a parent or caregiver, reading with your child is the most important activity that you can do to help set them up for future success.**

Through the Imagination Library, Dolly wants children to be excited about books and to feel the magic that books create. Moreover, she could insure that every child would have books, regardless of their family's income. For over 20 years, tens of millions of Imagination Library books have been sent to children around the world.

**Register your child to receive a book a month from the Imagination Library.**

Dolly Parton's Imagination Library puts books into the hands and hearts of children across the world.

We partner with local communities to provide one free, specially-selected, age-appropriate, high-quality book each month to children from birth to age five. These books are personalized with your child's name and mailed directly to your home to create a gifting experience that makes books exciting and shows the child someone is thinking of them.
